

Special Road District #1
Meeting Minutes
February 16, 2021

The meeting was called to order at 6:04p.m. with Bill Inman, Rodney Dieckhoff, and 3 guests present. Bill made a motion to approve the minutes from the previous meeting, Rodney 2nd the motion all were in favor and the minutes were approved. Bill presented the Treasurers report and found nothing out of the ordinary that needed to be discussed, Rodney made a motion to approve the Treasurers report as presented, Bill 2nd the motion all were in favor and the Treasurers report was approved. Rodney gave the road report and explained that they had been plowing snow and the roads appear to be in good shape considering the freeze thaw freeze thaw pattern we've had. He once again explained the reason's a snow gate is not feasible for our district. He also explained the new plowing procedure for plowing the distinct which seems to be working well.

The old business discussed was regarding the shop heater it was discovered that the current heater in the shop can be adjusted to better run off of stove oil/#2 diesel since waste oil is getting harder to find. There was no new business to discuss. During our public testimony there was 1 comment about how good of a job the district has done with the resent snow plowing. The other comment was in regards to the culvert on Island Loop apparently the County is no longer considering taking over this culvert but may be willing to help find grant money. We had no Good of the Order and the meeting was adjourned at 6:44p.m.
